

55th
CTOW
CANADIAN TRACE ORGANIC WORKSHOP

MAY 7 - 9, 2023
SASKATOON, SK

55th Annual Canadian Trace Organic Workshop SECOND ANNOUNCEMENT and CALL FOR ABSTRACTS

The 55th Annual Canadian Trace Organic Workshop (CTOW) will be held in Saskatoon, Saskatchewan on May 7-9, 2023 at the Sheraton Cavalier Hotel. The meeting is shaping up to be an informative and enjoyable event!

Deadlines: **April 7, 2023** – hotel room booking at the special workshop rate
 April 11, 2023 – Deadline for abstract submission
 April 11, 2023 – Early Workshop registration (registration fee increases after this date).

A mixer and pre-registration will be held on the evening of May 7, 2023 at “The Top of the Inn” located in the Sheraton Cavalier Hotel. The Top of the Inn is a wonderful venue that provides a beautiful view of the South Saskatchewan River along with many of Saskatoon’s bridges.

On Monday evening (May 8), there will be a social event at LB Distilleries, which will include a dinner, distillery tour and of course, tastings. The LB Distillery was one of Saskatoon’s first and has a charming story behind its name (<https://luckybastard.ca/>). The presentation of the Caledon Award will take place during this event and will be presented to the 2020 recipient.

This long-standing workshop provides an opportunity to network and exchange ideas regarding trace organic analytical methods and research (wide range of testing, sample types and projects) with your colleagues. The scope of topics includes analytical results and procedures for trace organic analysis of residues in food, air, water, vegetation, soils and biological matrices. Presentations on partially completed studies, method development, reports on problem areas and new analytical approaches (instrumental and sample preparation techniques) are welcome. All are invited to make 20 minute oral presentations. Poster presentations are also welcome.

Please note that this meeting is intended for exchanging ideas in a friendly environment and expanding knowledge for participants - we welcome all types of oral and poster presentations. We strongly encourage students to participate and make presentations!

The registration cost for the workshop is \$200.00 until April 11 2023; \$250.00 after April 11 2023. (\$50.00 for students).

Registration can be paid through the PayPal link on the website: www.traceorganic.com

NEW: The 1st ten students who register and present will have their registration fee paid courtesy of Vogon Labs (please indicate on the registration form below if you are a student).

For updated information visit: www.traceorganic.com

Accommodations:

You will find the information for your online reservation link below. If you have questions or need help with the link, please do not hesitate to ask.

We are pleased to provide you with complimentary parking for registered guests who booked under the group block. Be sure to register your plates at the Front Desk upon Arrival. Please ensure proper stay dates are selected to view available room types. Should results return with no availability, please advise your group contact or the hotel directly and reference **group minicode CT0**.

Maximum number of rooms permitted to book through Reslink is three (3). To book more than three (3) rooms at one time, please contact the hotel directly by emailing reservations@sheratonsaskatoon.com or make multiple entries of groups of three.

We appreciate your business and look forward to a successful event.
